### **Free Chocolate and Health Screenings at the Downtown Lee's Summit Chocolate Crawl**

Downtown Lee's Summit will host its 3<sup>rd</sup> Annual Chocolate Crawl from 10 am to 5 pm on Saturday, February 6, 2010. Customers are invited to wear red, and follow the pink and red balloons to free chocolate treats and health screenings while they shop for Valentine's Day.

Customers should follow the pink balloons to participating stores, where they can enjoy a variety of free chocolate treats and may enter to win a Valentine's Day gift basket filled with products and gift cards. The first 300 customers to visit either A Thyme for Everything (231 SE Main) or The Living Stone (18 SE Third Street) will receive a box filled with coupons from participating stores. The boxes are only available the day of the event.

Downtown Lee's Summit is also proud to partner with Lee's Summit Medical Center to offer free health screenings. New to the event this year, the health screenings will include cholesterol, bone density, posture assessment, blood pressure and more. A total of 10 health screening stations will be offered inside participating businesses throughout downtown. These health screenings help celebrate the American Heart Association's Go Red for Women movement, which raises awareness about heart disease. All health screening stations will be marked with red balloons.

Downtown Lee's Summit's 3<sup>rd</sup> Annual Chocolate Crawl is brought to you by Downtown Lee's Summit Main Street, Inc. (DLSMS), in partnership with Lee's Summit Medical Center. DLSMS is a 501c3 non-profit organization dedicated to the revitalization of Downtown Lee's Summit.
