United We Cure Shopping Event Set For October 9th

Downtown Lee's Summit Main Street, in partnership with the Saint Luke's East Center for Breast Care, will present the United We Cure shopping event on Friday, October 9th from 5 pm – 9 pm. Businesses encourage you to shop downtown and support breast cancer awareness.

Cosmetic bags filled with items and discounts go on sale Friday, September 25th at A Thyme for Everything and Finishings for Her in downtown Lee's Summit. Shoppers can purchase a bag for \$5 and use the promotions and discounts the night of the event. Participating businesses will be donating 5% of their pre-tax sales to the Saint Luke's East Center for Breast Care. The Center for Breast Care is a comprehensive screening and diagnostic facility providing the most up-to-date screening and diagnostic procedures, surgical intervention, as well as risk assessment and education. The center has the only dedicated breast MRI available in the community and designed specifically to provide superior image quality and maximize patient comfort. Additionally, the center has specially trained radiologists dedicated to interpreting breast images and performing breast procedures.

Customers will also be able to enter to win a \$100 downtown shopping spree, hang pink ribbons on the dedication area in Howard Station Park, and view specially decorated bras by downtown businesses which will be on display the evening of the event.

For more information about the United We Cure shopping event, please visit www.downtownls.org.
