Downtown Lee's Summit Main Street, a 501c3 nonprofit organization dedicated to the revitalization and historic preservation of Downtown Lee's Summit, is the conservator of the historic downtown. We are defacto real estate agents, informal code-enforcement officers, coaches and cheerleaders.

Downtown Lee's Summit Main Street committees, volunteers, partners and staff focus on quality rehabilitation, redevelopment, promotion and beautification — generally, with the goal of sustaining a healthy economic environment, growing the central business district, and creating the cornerstone for the community's fondest memories.
