Our nationally award-winning Downtown not only has a significant impact on the entire city, but is also cited as one of the top-quality indicators for the community. And we know the top employers and the brightest employees come to Lee's Summit for its dynamic quality of life.

Because of partners like you who understand the importance of a strong central business district and the role the Downtown plays as the heart of the community, Downtown Lee's Summit continues to attract businesses and visitors to Lee's Summit, and the Main Street program continues to thrive.

For more information, contact Jody Fristoe executive director, at 816-246-6598 or jody@downtownls.org.

Downtown Lee's Summit Main Street, a 501c3 nonprofit organization dedicated to the revitalization and preservation of Downtown Lee's Summit, is the conservator of the historic downtown.

Downtown Lee's Summit Main Street committees, volunteers, partners and staff focus on quality rehabilitation, redevelopment, promotion and beautification — generally, with the goal of sustaining a healthy economic environment, growing the central business district, strengthening neighborhoods and creating the cornerstone for the community's fondest memories.
